Gender: Male.

Profile:

Education

Year	institution	Award	school	department	Semester
2020-2023	University of Juba	In progress	School of computer science and information technology.	Computer science	I'm currently in semester six third year.
2013-2016	Rumbek National Senior Secondary school(RNSSS)	Certificate of secondary education		Science section	
2005-2012	Agergum primary school	Primary Leaving Certificate(PLC)			

Experience

In 2018-2019 I had been working with juba civic Resource center as a volunteer in the organization.

I served as a center officer in this local organization and my responsibilities are to assist the IT manger in providing others services to the center users like printing, scanning and online application for the students who are applying for scholarship.

Skills

I'm web developer and having skill in the following languages

HTML and CSS 2. PHP 3. JavaScript

4. c++ 5. Visual basic. 6. MySQL for database

Especially in JavaScript, I used React js framework and I also used laravel 10 framework in PHP. These are some of the languages I used for web development and other projects I'm currently working on as being monitor by my supervisors.
